Public Convenience and Necessity)	

This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of a request filed by Rose Mary Alexander (“Alexander” or “Applicant”) to reinstate Class C Certificate of Public Convenience and Necessity No. 7698. Certificate No. 7698 was issued to the Applicant pursuant to Commission Order No. 2006-317, dated May 25, 2006, which granted Alexander authority to render motor passenger service.

On the request of Alexander, Certificate No. 7698 was cancelled by the Commission on August 21, 2008, by Order No. 2008-579. The Applicant now seeks reinstatement of the Certificate in question. The original Application filed by Rose Mary Alexander, which the Commission approved by Order No. 2006-317, provides documentation regarding the Applicant’s stated knowledge of and commitment to abide by all relevant statutes and Commission regulations.

The Commission has reviewed the case before it and after due consideration, the Commission concludes that the cancellation of the Applicant’s Certificate should be

lifted and that the Certificate should be reinstated, subject to compliance with all the applicable statutes and the Commission's Rules and Regulations.

IT IS THEREFORE ORDERED:

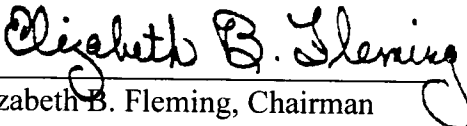

1. That Class C Certificate of Public Convenience and Necessity No. 7698 in the name of Rose Mary Alexander be, and hereby is, reinstated, subject to compliance with all Commission Rules and Regulations.
2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with all applicable statutes and the Commission's Rules and Regulations.

That prior to compliance with the applicable statutes and the Commission's Rules and Regulations, including the requirements of filing with the Office of Regulatory Staff proof of appropriate insurance, the payment of license fees, and such other information required by law, the motor carrier services authorized by the Certificate shall not be provided.
4. That failure of the Applicant either (1) to complete the certification process by complying with the Commission requirements of causing to be filed with the Office of Regulatory Staff proof of appropriate insurance and the payment of license fees and such other information required by law or (2) to request and obtain from the Commission additional time to comply with the requirements of the Commission as stated above, may result in the authorization approved in this Order being revoked.
